Registration:

Registrations over the phone are not accepted. All participants must fill out and send in their reservation forms **prior to all programs** at the centre. Please fill in **all information** requested on the form. This is especially critical if you are a senior and want to be assured of appropriate accommodation. Your full address is required if you wish us to issue you a tax receipt. It is important that you let us know your time of arrival and indicate which meals will be your first and last. Without this information we will not be able to accommodate you for meals not included in the price of the program. Dinner on the evening prior to the workshop is not included in the workshop. Shared accommodation for married couples is **not** available during workshops where there are 50 or more registered. Private rooms for individuals with health problems are only available during health recovery program weeks. Registration for Health Recovery programs must be in two weeks prior to each program as it takes more time to process these applications. If you wish to arrive early or extend your stay following a program; please confirm that space is available before arrival. For the larger workshops it is advisable to bring your own pillow, towel and a sleeping bag. To accommodate the needs of the group we ask that people be flexible and only ask for special consideration if they are seniors or if they have significant health problems

Airport Pickups:

You will be picked up **OUTSIDE** the airport entrance at the arrivals level of **YOUR TERMINAL** for all programs except for CIT week. Please make sure you are not waiting in a bus or limousine pick-up zone. For CIT week you will be picked up **OUTSIDE** the airport entrance at Terminal 3, departure level across from the Sheraton Hotel. Union Station pickups are by the large VIA RAIL sign outside the main entrance unless informed otherwise. Please help us find you at the airport and train station by watching for our marked Tai Chi vehicle; please wear clothing with a visible Tai Chi logo.
